

US TAX REPORTING OF DIVIDENDS FROM PCL EMPLOYEES HOLDINGS LTD. ("PCLEH")

In compliance with Canadian tax legislation, the dividends paid to you by PCLEH are reported on a Form NR4 "Statement of Amounts Paid or Credited to Non-Residents of Canada". This form is the Canadian equivalent of an IRS Form 1099-DIV, with the only difference being that the NR4 discloses amounts in Canadian dollars versus US dollars.

Accordingly, after converting the Canadian dollar amounts to US funds (using a foreign exchange rate approved by the IRS), the dividend and foreign tax amounts should be reported on your Form 1040 in the same manner as you would have reported such amounts from a Form 1099-DIV.

Please note that, in consultation with its U.S. tax advisors, PCLEH believes that its dividends paid to individual U.S. shareholders should be "qualified dividends" for U.S. federal income tax purposes. As such, distributions that are considered dividends for U.S. federal income tax purposes should qualify for the reduced rate of tax applicable to long-term capital gains. **However, the individual taxpayer's situation must be considered before making this determination in consultation with their tax or legal advisors.**
