Accessing Project Files and the EPR from PM4+

The **Project links** workspace provides access to the project files and electronic plan room (EPR) for the project.

Step	Action				
Open workspace					
Select tile to access files					
	<table border="1"><tbody><tr><td>Electronic plan room</td><td>Sign in to the EPR</td></tr><tr><td>External project files</td><td>Navigate to the project file folder of interest</td></tr></tbody></table>	Electronic plan room	Sign in to the EPR	External project files	Navigate to the project file folder of interest
Electronic plan room	Sign in to the EPR				
External project files	Navigate to the project file folder of interest
