

Additional Tips

Here are some tips to remember while using PDC.

1. *If you run into problems, please inform your PCL Contact.*
 - a. *Give the contact as much detail as possible:*
 - i. **Who** are you (Username & Company)?
 - ii. **What** happened?
 - iii. **When** did this occur (eg. Date/Time)?
 - iv. **Where** did this occur (Project Name/Number)?
 - v. **Why** did this occur?
2. *Contact your PCL Contact for a password reset.*
3. *Use the [PDC Minimum Requirements](#) document to make sure you meet the hardware/software requirements.*
